

Conflict of Interest Declaration

Manuscript title: Beyond English-Only GRPO: A Multi-Seed Empirical Study at Sub-3B Scale
Author: Vu Dang (Independent Researcher, Vietnam)

The author declares that there are no competing interests, financial or otherwise, that could be perceived as influencing the work reported in this manuscript.

Specifically:

- The author received no funding from any commercial entity for this work.
- The author has no employment, consultancy, or equity relationship with any organization that would benefit from the publication of this work.
- The author has no patent applications related to the content of this paper.
- The author has not received personal honoraria, gifts, or in-kind payments related to this submission.
- No paid editorial assistance was used; AI-assisted writing tools (Anthropic Claude via Claude Code) were used as disclosed in the manuscript, with the author bearing sole responsibility for all content.

The work is self-funded and conducted as independent research without institutional or commercial affiliations.
